1. **Placing a Bet:** The player selects their stake amount before the round begins.
2. **Launch:** The aircraft takes off, and the multiplier begins ticking upward from 1.00 x.
3. **The Asccent:** Along with the multiplier, different in-game multipliers and bonuses (or dangers, depending on the particular game model) may appear on the flight course.
4. **The Cash Out:** The player needs to hit the "Cash Out" button before the airplane explodes or vanishes off-screen. If successful, the original stake is multiplied by the cash-out value. If the aircraft crashes before cashing out, the bet is lost.
