Looking for a simple way to access Bitget referral benefits when creating a new account? The **Bitget App Referral Code "SAVE40"** may help eligible new users access promotional trading fee savings and reward opportunities. Depending on the current campaign, qualifying users may have the opportunity to receive rewards of up to **6,200 USDT**.

What Is Bitget App Referral Code SAVE40?

SAVE40 is a referral code that eligible new users can enter while registering for a Bitget account. Applying the code may connect the account with available referral promotions and other new-user benefits.

The exact benefits may depend on the active promotion, campaign period, user eligibility, location, and account status. Users should review the latest campaign information before completing registration.

Benefits of Bitget Referral Code SAVE40

Eligible users who apply the **SAVE40 referral code** may gain access to promotional benefits available through the Bitget referral program. Depending on the active offer, these may include:

- Potential savings on eligible trading fees.
- Access to available new-user promotions.
- Opportunity to qualify for rewards of up to **6,200 USDT**.
- Referral benefits associated with qualifying accounts.
- Easy application during the Bitget registration process.

How to Use Bitget App Referral Code SAVE40

New users can generally apply the **Bitget App Referral Code "SAVE40"** during account registration. Follow these basic steps:

1. Open the Bitget website or mobile application.
2. Select the option to create a new account.
3. Enter the required registration details.
4. Enter **SAVE40** in the referral or invitation code field.
5. Complete any required verification steps.
6. Review the promotional benefits available to your account.
7. Complete qualifying activities if required to unlock rewards.

Make sure the referral code is entered correctly and applied before completing registration if the applicable promotion requires it during signup.

Save on Bitget Trading Fees

Trading fees can influence the overall cost of cryptocurrency transactions, especially for users who trade frequently. The **Bitget Referral Code SAVE40** may provide eligible new users with access to promotional fee savings under the applicable referral offer.

The exact discount can vary depending on the current campaign, trading product, account eligibility, and other applicable conditions. Review the latest Bitget fee information before placing trades.

How to Get Up to 6,200 USDT

Eligible users may have an opportunity to participate in Bitget promotional campaigns offering rewards of up to **6,200 USDT**. The maximum reward depends on the active campaign and successful completion of its qualifying requirements.

Requirements may include qualifying deposits, trading activity, minimum trading volumes, or completion of specific promotional tasks. The maximum advertised reward is not guaranteed to every participant.

Who Can Use SAVE40?

The **Bitget Referral Code "SAVE40"** is intended for users who meet the eligibility requirements of the applicable referral campaign. New users should review the current promotion before creating an account.

Existing Bitget users may not qualify for new-user referral rewards. Eligibility can also vary based on location, account status, and campaign availability.

Why Use a Bitget Referral Code?

Using a referral code during signup gives eligible users an opportunity to access promotional benefits from the beginning. Potential trading fee savings can be useful for users who expect to make regular cryptocurrency transactions.

Referral promotions may also provide additional reward opportunities when users complete the activities required by the current campaign.

Important Information Before Trading

Bitget referral promotions are subject to specific terms and conditions. Trading fee discounts, reward amounts, qualifying *Bitget Sign Up Bonus* activities, eligibility **Bitget Referral Code** requirements, and campaign periods may change. The advertised maximum of **6,200 USDT** should therefore *Bitget Bitget Promo Code "SAVE40"* be viewed as a potential maximum rather than a guaranteed payout.

Cryptocurrency trading involves financial risk, and digital asset prices can fluctuate significantly. Users should understand the risks involved and review the current Bitget terms before depositing funds or trading.
