The Four Exciting Bonus Games Explained

The main tourist attraction of the Crazy Time demo experience is seeing or taking part in the four unique perk rounds. Each uses a completely different gameplay mechanic.

1. Coin Flip

The most basic of the bonus rounds. A coin with a red side and a blue side is flipped by a machine. Each side is designated a random multiplier before the flip. Whichever side lands face up awards the gamer that multiplier.

2. Money Hunt

A shooting gallery design bonus game where players exist with a huge screen including 108 random multipliers hidden behind different signs (such as a cactus, target, or chef hat). Players objective and fire a virtual cannon at their picked symbol to expose their prize.

3. Pachinko

Inspired by the traditional Japanese arcade game, a radiant puck is dropped from the top of a large Pachinko wall filled with pegs. The puck bounces down until it lands in among the multiplier zones at the bottom. If it strikes a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The ultimate reward round. Players enter a vibrant, surreal virtual world behind a red door, including a massive huge wheel with three flappers (green, blue, and yellow). Players choose their flapper, the wheel is spun, and whatever multiplier it lands on is granted. Landing on a "Double" or "Triple" increases all multipliers on the wheel for another spin.
