The Magic of the Top Slot

Above the main cash wheel sits the **Top Slot**, a mini two-reel slot machine that spins simultaneously with the wheel.

1. **Reel 1** display screens among the wagering choices (a number or a benefit video game).
2. **Reel 2** displays a random multiplier (ranging from 2x as much as 50x).

If the horizontal line in the Top Slot aligns a bet with a multiplier, that multiplier uses to that specific outcome for the upcoming spin. If the primary wheel arrive at that outcome, any wins for that round are improved by the multiplier. If a bonus round is activated with a Top Slot multiplier attached, the beginning multipliers inside the perk game are immediately increased by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time lies in its four reward video games. Activating one of these rounds transfers players from the main studio into a special increased truth mini-game.

1. Coin Flip

The easiest of the benefit rounds. A coin with a red side and a blue side is flipped by a mechanical arm.

- Before the flip, random multipliers are appointed to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the getting involved players.
- If the multipliers are low, a "Rescue Flip" can in some cases be set off, giving players another possibility at greater rewards.

2. Money Hunt

This benefit game features an enormous screen showing 108 random multipliers concealed behind shooting gallery symbols (like a cactus, a target, or a duck).

- Gamers use an on-screen crosshair to aim and shoot at one sign before the timer goes out.
- When time expires, all symbols expose their hidden multipliers, and the gamer gets the multiplier behind their picked target. Every gamer gets to pick their own area, implying different gamers can win various amounts.

3. Pachinko

Influenced by the standard Japanese arcade game, Pachinko features a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces arbitrarily down through the pegs until it lands in one of the multiplier zones at the bottom.
- If the puck arrive on a "**Double**" worth, all multipliers at the bottom of the board double, and the puck is dropped once again, resulting in potentially massive payouts.

4. Crazy Time

The supreme reward round takes gamers behind a red door into a surreal, whimsical virtual world featuring a massive, 64-segment wheel.

- Gamers must pick one of three flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever section the selected flapper indicate when the wheel stops is the reward granted.
- The wheel consists of **"Double"** and **"Triple"** sectors. If a flapper arrive at one of these, all multipliers on the wheel double or triple, and the wheel is spun once again. This is where the game's famous 20,000 x max multiplier can be accomplished.

Strategies and Tips for Playing Crazy Time

While Crazy Time is essentially a game of chance identified by a random number generator (RNG) and physical physics, gamers often employ certain strategies to manage their bankroll and tailor their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus greatly on wagering on **1** and **2**.
 - These numbers inhabit most of the wheel, indicating they hit frequently.
 - This technique won't yield over night fortunes, but it extends playtime and keeps the bankroll reasonably steady.
- **The Bonus Hunter Strategy:**
 - Place small bets exclusively on the four bonus offer rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Because bonus rounds appear on just 9 out of the 54 sectors, this technique needs perseverance and a durable bankroll, as dry spells can happen. However, it places the player to catch the biggest payments when the rewards hit.
- **The Balanced Approach:**
 - Cover a mix of numbers and benefit rounds. For instance, putting small bets on numbers to keep your balance while wagering on particular bonus games to keep the enjoyment alive.

Best Practices for Bankroll Management

- **Set a Budget:** Decide how much you are prepared to spend before you start playing, and never ever chase losses.
- **Understand the RTP:** Keep in mind that number bets generally provide a greater RTP than bonus offer bets, however bonus bets use substantially greater volatility and optimum win potential.
- **Enjoy the Entertainment:** Crazy Time is a live entertainment program firstly. Deal with any wagers as the expense of admission for an interactive program.
