What is a Crash Game?

Before diving into the specifics of *Big Bass Crash*, it helps to understand the underlying category. Crash games are motivated by cryptocurrency trading charts and aviation themes (originated by video games like *Aviator*).

In a crash game:

- A round begins with a multiplier starting at 1.00 x.
- The multiplier continuously increases as time passes (or in this case, as the angler's boat takes a trip further).
- Players must cash out before the action quickly stops (the "crash").
- If players squander in time, they win their stake multiplied by the present value. If they stop working to cash out before the crash, they lose their stake.

Big Bass Crash takes this simple, adrenaline-fueled formula and wraps it in the captivating, familiar audiovisual branding of the *Big Bass* universe.
