FAQ About Dumpster Rental Service

How long can you keep a rented dumpster?

Typically, you can keep a rented dumpster for a period of 7 to 14 days, depending on the rental company. Some companies may offer extended rental periods for an additional fee, so it's wise to confirm specifics with the provider.

What items can I put in a dumpster?

You can generally put construction debris, household junk, and yard waste in a dumpster. However, hazardous materials, electronics, and appliances are usually not allowed. Always check with your rental company for a complete list of prohibited items.

Do I need a permit for dumpster rental in Thornton?

In Thornton, a permit may be required if you plan to place the dumpster on a public street or sidewalk. It's best to check with the local municipality to ensure compliance with local regulations before renting.

How do I choose the right size dumpster?

To choose the right size dumpster, consider the scope of your project. For small cleanouts, a 10-yard dumpster suffices, while larger renovations may require 20 to 30 yards. Assess the volume of waste you'll generate to select appropriately.

Environmentally-Friendly Waste Disposal

We understand the importance of taking care of our environment, and that's why Junkaroo Dumpsters Rentals is committed to eco-friendly waste disposal practices. We strive to recycle as much material as possible, reducing waste that ends up in landfills. By choosing our Dumpster Rental Service in Thornton, you're not only benefiting from a skilled service, but you're also contributing to a healthier planet. Join us in our efforts towards sustainability, and let's work together to minimize our environmental footprint.
