

Constitutional issues, including improper traffic stops or search and seizure violations, can significantly affect a DWI case, and Arlington Criminal Attorneys examines these details in every case handled. The firm's attorneys carefully review whether law enforcement followed proper procedure throughout the arrest process, identifying any violations that could affect the case's outcome. A successful challenge based on constitutional violations can lead to evidence being suppressed or, in some cases, a case being dismissed entirely before it proceeds further.

Arlington Criminal Attorneys | 3901 **Dui lawyer** Arlington Highlands Blvd, Ste 200, Arlington, TX 76018 | (817) 767-0661
