  - *Bet 2:* Let it run for a higher multiplier (e.g., 5.00 x or greater) to go after a big win.
- **The Goal:** To protect a safeguard while keeping the door open for a huge payout.

### 3. The Martingale System (Use with Extreme Caution)

- **How it works:** Doubling your bet after every loss so that when you eventually win, you recuperate all previous losses plus a profit equal to your original stake.
- **The Risk:** Requires a huge bankroll and can quickly hit the table limitation or tire your funds during a long losing streak of early crashes (e.g., several 1.01 x crashes in a row).
