FAQ About Dumpster Rental

How long can I keep a dumpster rental?

Generally, dumpster rentals in Boston can be kept for 7 to 14 days. However, specific rental terms may vary by company, and it's advisable to check the rental agreement for details on extensions or extra charges for longer use.

What size dumpster do I need for a home renovation?

For a home renovation in Boston, a 10 to 20 yard dumpster is commonly recommended. A 10 yard is ideal for small projects, while a 20 yard is better for larger renovations or multiple rooms, as it accommodates more debris.

What items are prohibited in dumpster rentals?

In Boston, prohibited items in dumpster rentals often include hazardous materials like paint, chemicals, batteries, and tires. Additionally, appliances containing refrigerants and electronics are usually not permitted, so it's best to check with your rental company.

How do I choose a dumpster rental company in Boston?

To choose a dumpster rental company in Boston, consider factors like pricing, customer reviews, size and availability of dumpsters, and their recycling practices. Getting quotes from multiple providers can also help ensure you get the best deal.

How to Choose the Right Dumpster Size

Selecting the appropriate dumpster size is essential for ensuring that you do not pay for more than you need. At Home Plate Dumpster Rental, we offer various sizes, allowing you to choose one that matches your specific project

requirements. Our team is not just Boston dumpster rental price here to deliver your dumpster; we also provide professional advice on selecting the right size based on the scope of your work. For example, a 10-yard dumpster is perfect for minor cleaning projects, while a 30-yard dumpster is ideal for extensive renovations or construction sites.

Eco-Friendly Practices in Dumpster Rental Boston

At Home Plate Dumpster Rental, we are dedicated to helping our customers manage waste in an eco-friendly manner. Our method includes separating recyclable materials to ensure they are processed properly, thus lessening landfill waste. By choosing our services for Dumpster Rental Boston, you are not only simplifying your waste management but also contributing to a healthier environment. We believe that eco-consciousness should be a priority, and we strive to uphold this in every dumpster rental service we provide.
