In Fort Worth, a permit is usually required for dumpster rentals placed on public streets or sidewalks. If you're placing the dumpster on private property, a permit is typically not necessary. Always confirm with local regulations before renting.

How to Select the Right Dumpster Size

Selecting the appropriate dumpster size is crucial for effective waste management. At Ox Dumpster Rental, we offer a variety of dumpster sizes ranging from mini to maxi. For smaller projects such as cleaning a garage or attic, a 10 or 15-yard dumpster may be sufficient. However, for larger projects like full home renovations or construction sites, you might need a 30 or 40-yard dumpster. Our team is ready to help you determine the best size to avoid overages associated with overfilling or having too much unused space.
