FAQ About Dumpster Rental

What size dumpster do I need for a garage cleanout?

For a garage cleanout, a 10 to 15 cubic yard dumpster is typically sufficient. It provides enough space for large items like old furniture, bicycles, and debris without being overly large. Consider your specific items and the volume they will occupy to determine the best size.

What can you put in a dumpster?

You can generally put household debris, construction materials, yard waste, and furniture in a dumpster. However, hazardous materials like batteries, chemicals, and electronics are not allowed. Always check with your rental company for a complete list of prohibited items.

How long can I keep a rented dumpster?

Most dumpster rental companies in Denver allow you to keep a rented dumpster for about 7 to 14 days. However, this can vary based on your agreement. If you need more time, discuss options with your provider to avoid late fees.

Do I need a permit for a dumpster in Denver?

Yes, if you plan to place the dumpster on a public street or sidewalk, a permit is usually required in Denver. Check with the local authorities for specific regulations and requirements to ensure compliance before renting a dumpster.

Convenient and Eco-Friendly Solutions

One of the most critical aspects of renting a dumpster in Denver is choosing an sustainable option. At Ranger Dumpster Rental, we take our ecological responsibilities seriously. Our system for waste disposal ensures that materials are reused whenever possible. We aim to cut down on landfill waste, helping our clients be proud about their waste management efforts. Whether you're clearing out old furniture or managing construction debris, we're here to provide a hygienic solution that aligns with your values.
