

Not every wedding happens at a formal venue, and Annie Paige Photography has experience photographing backyard weddings [Portland wedding photography packages](#) and other small, non-traditional settings around Portland. Smaller weddings often mean a more relaxed schedule, giving more room for candid, unposed photography throughout the day. The same film-inspired approach applies whether the setting is a grand venue or a family backyard.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

For couples prioritizing intimacy over scale, this kind of setting often produces some of the most personal, meaningful photos. Call (207) 841-4333 to discuss photography for a backyard or small wedding.
