

Hailstorms can cause significant roof damage throughout Boise, and Bork Roofing addresses this specific issue through both repair services and insurance claim coordination. One reviewer specifically described Bork replacing their entire roof after a hailstorm, working directly with their insurance company throughout the claim and repair process. Hail damage is not always immediately visible, making a professional inspection valuable after any significant storm to identify issues before they worsen over time.

Bork Roofing | 1475 N Hornback Ave, Star, ID 83669 | (208) 869-6674
