For those curious about why this virtual plane has caught the hearts of Kenyan punters, this extensive guide explores how the game works, techniques gamers use, and how to enjoy it properly.

What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer game coming from the "crash game" genre. Unlike standard slot machines with spinning reels or table games with intricate rules, Aviator is developed around a rising curve that can crash at any time.

The premise is straightforward:

1. **An aircraft takes off**, and with it, a multiplier coefficient starts to increase.
2. **Gamers put one or 2 bets** before the round begins.
3. **The goal is to cash out** before the lucky aircraft flies away (crashes).
4. If a gamer cashes out in time, they win their stake multiplied by the current coefficient. If the airplane flies away before they cash out, the bet is lost.

This mix of timing, psychology, and risk management has actually made it a staple throughout nearly every significant wagering website in Kenya.
