- **Identity Discrepancies:** If the name or date of birth on the recognition document (passport) does not match the Pearson account profile down to the specific letter, results may be put on administrative hold.
- **Technical Audits:** A small percentage of tests are randomly selected-- or flagged by the AI-- for a routine security audit. This can postpone scores by up to 5 business days.
- **Payment Issues:** Unverified deals or pending bank clearances can prevent a test from being formally reserved or processed.
- **Test Center Disruptions:** Power failures or severe technical problems at a particular screening venue can delay the uploading of prospect audio and information files.

- **Test Early in the Week:** Book tests on a Monday, Tuesday, or Wednesday. This guarantees that the 1 to 2-day processing window falls squarely on basic business days, avoiding weekend closures.

2. Careful Documentation

What to Do If Results Are Delayed
