What is a CS: GO Case Battle?

A case battle is a multiplayer video game mode hosted on third-party CS2 skin gaming and trading websites. Unlike opening cases alone in the game customer, a case battle permits multiple gamers (usually between two and 4) to open the exact very same set of cases all at once.

The rules are easy:

1. **Buy-in:** All individuals contribute a set amount of cases, funded by their website balance.
2. **The Drop:** The system opens the cases for all players round by round. Every item dropped is offered a real-world monetary value based upon Steam Market or third-party prices.
3. **The Winner:** At the end of the battle, the overall value of all skin drops for each gamer is determined. The gamer with the greatest total value wins **all** the items dropped in the match, consisting of those of their opponents.

If you are lucky, you can walk away with double, triple, or perhaps ten times your initial buy-in. If you lose, you lose the cost of the cases.
