# The Secret Sauce: The Top Slot

Before every spin of the main wheel, a two-reel **Top Slot** spins at the same time above the primary video game view.

- Reel 1 displays one of the wagering sectors (a number or a benefit video game).
- Reel 2 shows a multiplier (varying from 2x approximately 50x).

If the horizontal reels align to form a match between the bet segment and the multiplier, that multiplier is applied to that particular sector for the upcoming spin. If the wheel lands on that sector and triggers a win (or a reward round), all payments or perk multipliers are instantly improved by that value. This is where Crazy Time genuinely lives up to its name, enabling huge payments on even the smallest bets.

## Dive Into the Four Crazy Time Bonus Rounds

The primary reason players flock to Crazy Time is the four interactive reward video games. When the wheel stops on a bonus segment, players who put a bet on that sector are transferred from the main studio into a spectacular augmented-reality mini-game.

### 1. Coin Flip

- **Frequency:** 4 segments on the wheel
- **Gameplay:** A simple heads-or-tails game. The host presses a button to turn a coin that has a red side and a blue side. Each side is designated a random multiplier before the flip. Whichever color lands deal with up wins for the players. If the multipliers are low, a "Rescue Flip" may periodically be triggered.

### 2. Cash Hunt

- **Frequency:** 2 segments on the wheel
- **Gameplay:** Players deal with a huge screen including a shooting gallery filled with 108 random multipliers hidden behind various signs (such as a cactus, target, or chef's hat). A countdown starts, and gamers need to use their cursor (or touchscreen) to intend and fire at the symbol they believe conceals the greatest multiplier. When the timer runs out, all gamers see what lagged their picked target.

### 3. Pachinko

- **Frequency:** 2 sections on the wheel
- **Gameplay:** Inspired by the traditional Japanese arcade game, Pachinko features an enormous wall filled with physical pegs. The host drops a radiant puck from the top, and it bounces randomly down the board until it lands in among the multiplier slots at the bottom.
- **Special Feature:** If the puck lands in a "**DOUBLE**" slot, all multipliers at the bottom of the wall double, and the host drops the puck once again, escalating the potential wins rapidly.

### 4. Crazy Time

- **Frequency:** 1 segment on the wheel
- **Gameplay:** The holy grail of the game. The host opens a red door, walking the player through a surreal, Alice in Wonderland-style virtual world including a colossal 64-segment wheel.

- **How to Play:** Players choose one of three flappers (Green, Blue, or Yellow). The wheel is spun, and whatever multiplier the picked flapper points to is awarded. Simply like Pachinko, this wheel contains **"DOUBLE"** and **"TRIPLE"** sectors, which can push the maximum possible multiplier as much as a shocking 20,000 x!

## Tips and Strategies for Playing Crazy Time

While Crazy Time is a game of pure opportunity governed by a random number generator (RNG) and physical physics, gamers typically utilize specific bankroll management methods to optimize their playtime and enjoyment.

- **Cover All Bases:** Some gamers like to position little bets on all four bonus offer rounds along with a number bet. This ensures that whenever a reward round hits, they are ensured to take part, though it requires a bigger bankroll.
- **The Low-Risk Approach:** Betting mainly on numbers like 1 and 2 enables gamers to stretch their budget plan, yielding frequent small wins that keep the balance stable while waiting for a bonus round.
- **The High-Volatility Approach:** Focusing strictly on the reward rounds (Cash Hunt, Pachinko, Crazy Time) is a high-risk, high-reward technique. You will experience longer droughts, however when a reward hits, the payments are significantly greater.
- **Bankroll Management is Key:** Because of the busy nature of live video game programs, it is really easy to misplace time and cash. Always set a strict spending plan before visiting and never ever chase losses.
